

The  
**Small Office Resource Group of the North Shore**  
presents a self-directed workshop on LinkedIn

Since our highly successful meeting last year with Dan Felix, there have been numerous questions and issues related to making better use of the features and tools in LinkedIn. Among them:

- LinkedIn keeps saying my profile isn't complete. What does that mean?
- I'm uncomfortable sending an invitation to someone I've just met.
- What do I do if I receive an invitation from someone I don't know?
- What are "Groups", why would I want to join them and how do I do that?

The workshop will include online access to allow us to explore all of these issues and more! The workshop's success however, is dependent on you. Please email your LinkedIn questions, issues or problems to [March17workshop@sorgns.org](mailto:March17workshop@sorgns.org) so that you can be assured of having you're concerns addressed.

**ABOUT SORGNS**

Founded in 1994, the Small Office Resource Group of the North Shore (SORGNS) has evolved to include those who operate businesses or offer professional services in either a home office or small off-premise setting on the North Shore. Its mission is to address the needs of entrepreneurs by providing a forum for educational programming on a variety of topics, problem solving opportunities, networking and psychological support.

The group meets from 8-9:30 a.m. on the third Wednesday of each month for a formal program including buffet breakfast at Bluegrass and informally for drop-in breakfast gatherings at 8 a.m. on all other Wednesdays at Country Kitchen, 446 Central, Highland Park. **Annual dues, payable after one guest meeting, are \$25 plus a per-meeting fee of \$5.**
